

IFA

06.09.2024 - 10.09.2024 | Germany, Berlin

Official Partner of the Future since 1924

IFA - Internationale Funk Ausstellung - is the world's largest and most important trade fair for consumer electronics and household appliances, covering the whole spectrum of this fast moving industry. IFA features the entire range of brands, products and innovations in all their diversity: from TVs, home cinemas, sound systems, music players, cameras, mobile phones, navigation devices, computers, laptops, games, memory solutions and telecommunication equipment to small and large household appliances. All the latest electronics with the most product firsts are presented at the IFA.
