

EuroCIS

31.05.2022 - 02.06.2022 | Germany, Duesseldorf

THE LEADING TRADE FAIR FOR RETAIL TECHNOLOGY

EuroCIS is Europe's leading trade fair for retail technology. Every year EuroCIS acts as an international meeting place for business and networking for all those, who are operating successfully with technology in retailing. EuroCIS puts the focus on interaction among professional partners. Every participant is engaged in an intensive pooling of information and expertise at the highest level.
