ROCK YOUR HEAD

TOP HAIR is a trade fair combined with a congress for the international hairdressing sector. All important companies and brands from the hairdressing industry are represented. This firmly established professional fair offers leading names, state-of-the-art technology and artistic perfection coupled with passion. TOP HAIR is a stage for the latest trends of the hairdressing world. The clear separation of order and direct sales areas creates an ideal atmosphere for business discussions, acquisitions and sales. The unique mix of shows, workshops, cutting factories, a congress and a trade fair is a fascinating approach to market the latest trends and products to the professional trade audience. Meet the stars of the industry and join them during two days of TOP HAIR in Duesseldorf.
