

REHACARE

25.09.2024 - 28.09.2024 | Germany, Duesseldorf

International Trade Fair for Rehabilitation and Care

REHACARE is the leading international trade fair for rehabilitation, prevention, integration and care. For over 30 years it has created an ideal platform for communication between market leaders of the industry, innovative newcomers in the field of products and services, as well as for social organisations, self-help groups and non-commercial institutions. National and international exhibitors present a combination of product demonstrations and complex system solutions to deal with new and existing challenges. Additionally, numerous conferences, congresses and workshops complement the exhibits to offer visitors first-hand information and knowledge. Internationally renowned experts, associations and healthcare funding institutions make REHACARE a first-class continuing education forum.
