

MEDICA

11.11.2024 - 14.11.2024 | Germany, Duesseldorf

Where healthcare is going

MEDICA, the world's largest medical trade fair with thousands of exhibitors, covers the entire spectrum of exhibits for out-patient and in-patient treatment. The medical industry's largest display of products and services, technical innovations and new methods of treatment can be found at MEDICA. Its unique programme of supporting events with practical information, forums for exchanging views and continuous medical education events with hundreds of seminars and talks spur the lively exchange of experience with people from over the world. With MEDICA the medical equipment industry and medical practitioners have found their ultimate international meeting place and this since 50 years.

COMPAMED, the medical technology trade fair, is held parallel to MEDICA.
