

A+A

04.11.2025 - 07.11.2025 | Germany, Duesseldorf

PEOPLE MATTER.

A+A is the world's largest and most important specialist trade fair for all aspects of safety, security and health in the workplace. As the leading global platform for business, communication and information, the A+A trade fair has set international standards for nearly 60 years. A+A offers the world's largest display of specialist products and overall solutions at all business levels. Exhibitors from around the world present their innovations in a clearly structured environment and with practical demonstrations of actual applications that reinforce ideas for solutions for better work environment quality. Besides the product fair A+A serves as one of the major international information exchanges with the largest congress of specialists anywhere.
