# interpack

**10.06.2029 - 15.06.2029 | Germany, Duesseldorf**

**PROCESSING & PACKAGING**

interpack is the world’s most important trade fair for the packaging sector and related processing industries. Every three years at interpack, the very latest in packaging systems and machinery, packaging materials, packaging, confectionery machinery along with accompanying services are presented in Duesseldorf. For more than 50 years interpack has been the world's most important meeting place for the industry attracting exhibitors and visitors from all over the world. The attractive and international supporting program with forums and panel discussions rounds out the trade fair offerings.
