

# Enforce Tac

01.03.2027 - 03.03.2027 | Germany, Nuremberg

## **Trade fair for members of official security agencies and the armed forces**

Enforce Tac is a specialist exhibition for law enforcement, security and tactical solutions. Enforce Tac is the logical continuation of a development that began with the establishment of the Law Enforcement segment at IWA OutdoorClassics. This segment tailored to the needs of both civil and official agencies grew continuously and was strongly orientated to the clear demand from the visitors. Now Enforce Tac offers a meeting place for firms with specialized products specifically tailored to users from official agencies.
