

POWTECH TECHNOPHARM

23.09.2025 - 25.09.2025 | Germany, Nuremberg

International Exhibition for Process Operations

POWTECH TECHNOPHARM is the international exhibition for technologies for processing powders, solids and liquids in Europe. In addition to mechanical, thermal and analytical processes, this also includes those that are combined with liquid or pasty materials and bulk solids and processed together. With the addition of the TECHNOPHARM exhibition component, POWTECH TECHNOPHARM is now also dedicated to the GxP-compliant production of liquid, semi-solid and solid pharmaceuticals, in which solid products play a major role.

For trade visitors: Please note that we don't issue any tickets or invitations for this trade fair. NuernbergMesse exclusively sells tickets on their website. For invitations please contact the respective trade fair team.
