

INTERSCHUTZ

01.06.2026 - 06.06.2026 | Germany, Hannover

READY FOR THE FUTURE

Originally conceived as a trade show for the fire services, INTERSCHUTZ has grown to become the world's leading exhibition for the fire and rescue services, civil protection, safety and security. From the very start INTERSCHUTZ has attracted a unique mix of commercial and non-commercial exhibitors. The commercial enterprises unveil their latest innovations at the show, while the fire and rescue service professionals show the latest equipment and systems in action on the outdoor demonstration ground. INTERSCHUTZ enjoys a high international standing as a result of constantly developing its display concept in line with changing market needs and visitor expectations. Every five years INTERSCHUTZ is the destination for all those who want to see the latest products, make new business contacts and share information and expertise with fellow professionals.
