

# LIGNA

26.05.2025 - 30.05.2025 | Germany, Hannover

## **MAKING MORE OUT OF WOOD**

LIGNA is the world's most important event for the timber and woodworking industry. Every two years it brings together all the key sectors of the industry. The innovative design and technology of the products and systems on display, together with the high calibre and international provenance of the exhibiting companies, reinforce the global reputation enjoyed by LIGNA as the top event for the industry worldwide.
