Accommodation

For information about hotels please have a look at the [Hotel Reservation Service HRS](#). Unfortunately we are not able to arrange accommodation for you.

Attention! Confirmed hotel reservation is needed for your visa application. Before booking please always check at your German embassy actual information about requirements for hotel reservations. **In some countries e.g. Nigeria, no booking through a hotel booking portal is accepted.**

Weather

Before packing your bag check the weather at your final destination [here](#). Between October and March the weather can be very cold, even freezing, in Germany. In these months you are advised to take some warm clothes and footwear along, so you can enjoy the rainy, snowy and windy days during your trip too.
